Last Week's Recap

February 15-21

Molloy vs. Farmingdale

Game one ended with Molloy taking the win with 16 kills to Farmingdale's 15 kills. Molloy played an outstanding game with midlaner Reso Blue dishing out heavy amounts of damage with his Vayne. Their team comp centered around him and Reso was able to deliver. In the last team fight, Farmingdale's jungler misplayed as he tunneled into the dragon, allowing Reso Blue to take full advantage and wipe him out.

Game two ended with Farmingdale getting their revenge with 20 kills to Molloy's 12 kills. In the heat of a team fight over dragon, jungler Jreal was able to delete Molloy's midlaner with the help of toplaner Best Teemo NA. The rest of Farmingdale played flawlessly as Molloy was unable to get a hold of adc Shatter as he kited them away.

Game three ended with Molloy ending this matchup with 14 kills to Farmingdale's 12 kills. Farmingdale had the upper hand with their superior csing in the bot lane and mid lane. Followed by midlaner Hot and Gay dominating with his Casiopeia to secure four dragons in a row, it seemed like Farmingdale was taking this one home. However, midlaner Reso Blue was able to take advantage of Farmingdale's overextension and keep Molloy in the game to secure Elder Dragon and Baron. Followed by a beautiful engage by toplaner 1nm, Molloy was able to collapse onto Farmingdale and take the win.

Daemen vs. Hood

Game one ended with Daemen taking the win with 14 kills to Hood's four kills. Daemen showcased their superior coordination and teamwork as their members were always at the right spot at the right time. Adc Stany displayed a domination performance with his Twitch as he completely took over the game.

Game two ended with Daemen taking the win with 28 kills to Hood's five kills. Midlaner Ánti showed an overwhelming performance with his Tristana as he jumped around bursting everyone to the grey screen. Followed by adc Stany on his Twitch once again, Daemen stomps through the game uncontested.

NYIT vs. St. Thomas

St. Thomas forfeits, giving New York Tech the win.
